Code of conduct for students travelling on CAC buses

For the continued safety and comfort of all pupils traveling on our College bus, the following regulations are to be observed:

1. All students must be seated in the appropriate manner while traveling. Walking in the aisles and kneeling on seats are not permitted.
2. Noise is to be kept to a level that does not distract the driver from doing his or her duty. Screaming and shouting are not acceptable.
3. For personal safety reasons students must not put arms, legs, hands or any body part out of the bus windows.
4. Inappropriate gestures to members of the public or other bus passengers are unacceptable.
5. All balls are to be kept in bags and are not to be thrown or used on the bus. The driver has authority to confiscate objects used inappropriately. Certain toys or games may be used at the driver's discretion providing they do not interfere with the rights and safety of others.
6. No gum is to be brought on to buses at any time. Eating is generally not permitted. However, on long runs food may be consumed at the discretion of the driver, providing there is no rubbish left. Should students fail to comply with the above, the privilege may be suspended.
7. No object is to be thrown out of the windows at any time.
8. Parents of students should be waiting at their child's stop when the bus arrives. Buses are not able to wait for adults to arrive as this causes inconvenience to other families at later stops.
9. When alighting from the bus, students must wait until the bus has stopped to unlatch their seatbelt and stand up. Students must also wait until the bus has moved off before attempting to cross the road.
10. In the morning students are expected to be at their pick up point five to ten minutes prior to their departure time. If students are not at the pick-up point on time, it will be assumed they will not be attending College that day. Parents should text the driver the name of students who are not catching the bus for that day.
11. The carrying of dangerous items, such as penknives, blades, matches or similar objects is forbidden.
12. No radios, CD players, MP3 players, iPods, etc, are to be played on the bus by students.
13. Damage caused to the bus may need to be replaced or repaired by the offending students at the cost of the student's parent/caregiver.

I understand and agree to the following: All students are expected to observe the "Code of Conduct for Students". Any breach of this code is unacceptable behaviour and will likely result in the student being temporarily or permanently prohibited from using the College bus service. All students should represent Cairns Adventist College in the appropriate manner when travelling on our buses. I understand the "Code of Conduct for Students" and have also explained this to my child(ren). We also understand that unacceptable behaviour may result in temporary or permanent loss of the privilege of the using the College bus. We also understand that any payment for damage to the bus caused by my child(ren) may be added to my college fees and I accept full responsibility for payment of such fees.
