ADVENTIST EDUCATION IDENTITY STATEMENT

This College is part of the world-wide Adventist Education system and embraces a Christ-centred, Bible-based identity; an identity that upholds the doctrines, tenets, beliefs or teachings of the Seventh-day Adventist Church and are reflected through every aspect of our school life. You agree to be respectful of the College in upholding its beliefs and statements of faith.

EDUCATION

We agree to accept the student as a student at the College as from the commencing year level shown in the Details section. If, after signing this Agreement, you wish to delay the commencing year level of the student, you must ask us to approve the delay. If we agree, and it is up to us whether we do or not, the commencing year level will be deemed to be changed accordingly.

We will educate the student with due care and skill, using the available resources of the College. Our curriculum is delivered in accordance with the ethos of the Adventist faith. You will encourage the student to take full advantage of the curricular and co-curricular opportunities at the College.

You acknowledge that we do not guarantee any educational outcomes or a particular level of achievement for the student. Achievement depends greatly on the individual attributes of the student and the student's willingness to work for their own education.

We will act in the best interests of the student and the student body generally. This may mean we do not always act in accordance with your requests.

You acknowledge the College's uniform policy and you agree to ensure that the student wears the appropriate College uniform at all times and generally acts in a way that reflects well on the College.

HEALTH

You assure us that you have given us full information about the health of the student and any physical disabilities or any special needs when applying for enrolment. You must let us know if there is any change in the health or physical abilities of the student while the student is at the College.

If something happens to the student in any medical or other emergency and if it is impossible or impractical to communicate with you, we may take such action and incur expenditure as is considered necessary in the student's best interests. You must pay to us any expenditure we incur protecting the student.

COMMUNICATION

In the absence of a court order or agreed parenting arrangements disclosed to the College, we will provide information about the student to both natural parents of the student and to any other person signing this Enrolment Contract. Under the Australian Education Act 2013 s77(2)(f) and the Australian Education Regulation 2013 s59, the College will also provide reports to “persons having responsibility” for the student. The people signing this Enrolment Contract may request other arrangements relating to the provision of information about the student by all signatories giving notice in writing to us.

To communicate efficiently and effectively with Parents/Carers, we will communicate by electronic means. If you do not provide an email address or if you request in writing that we provide information other than by electronic means, we will communicate by the other means if reasonable for us to do so.

Where communication is to be with the entire College community or with identifiable sections of the College community, the communication may be effected through the College website.

We will display on our website the policies and rules with which you and the student are expected to comply.

You must keep the College informed of the student’s details, including:

- Child’s actual name
- Child’s preferred name and
- evidence of Child’s identification (e.g. Birth Certificate)

You must keep the College informed of any changes that may affect the student, including:

- material changes to family circumstance (e.g. serious illness, separation or divorce);
- changes to your contact details;
- changes to emergency contact details; and
- any Court orders, including Family Court Orders, which deal with parental responsibility for the student, the education of the student or otherwise limit the contact or communication which one Parent or other person has with the student.

You acknowledge and agree that if we need instructions from you then:

- if more than one Parent/Carer has signed this Enrolment Contract, we may in our discretion act upon the instruction of either or both Parents/Carers;
- if at any time we have been provided with a copy of a current Parenting Order of the Family Court of Australia or a Parenting Plan made by the Parents, relating to the care, welfare, education or development of the student, then we may act upon the sole instruction of the person on whom the Order or Plan confers duties, powers, responsibilities or authority in relation to the particular matter upon which we seek instruction, regardless of who executed this Enrolment Contract as a Parent.

If there is a Court order or other agreement which specifically alters or prevents a Parent or other person from spending time with, communicating with or otherwise having contact with the student, a copy of that Court order must be provided to us. In all cases, we do not assume responsibility for any Parents complying with the terms of any Court orders.

Unless there is a Court order restricting your access to the College or the student, we will permit both Parents and other family members to enter the College grounds and to participate in College activities (whether those activities involve the student) during this Enrolment Contract. We also have the right to give you directions about your conduct at and movement around the College under the Education (General Provisions) Act 2006 (Qld).

FEES

We will determine the tuition fees and other applicable fees (together referred to as ‘Fees’) for each term before the commencement of the term to which the Fees apply. Please note camp and excursion fees are not included in the reference to tuition fees.

You acknowledge that GST may apply to some of the Fees and other amounts payable under this Enrolment Contract. Wherever possible, we will quote the Fees and other amounts payable under this Enrolment Contract on a GST-inclusive basis.

You must pay the term’s Fees in advance of the term to which they apply and not later than fourteen (14) days after the date of invoice for the Fees, unless we agree in writing to alternative arrangements. If you have entered into a formal Fee payment plan in respect of any Fees, you must make payments in accordance with this plan.

If you do not pay any Fees by their due date, we may terminate this Enrolment Contract. We may also choose to apply a monthly administration charge on overdue Fees.

You will nominate one point of contact who will be responsible for Fee payment.

If we increase the Fees for a term by more than 10% of the Fees payable for the preceding term, you may terminate this Enrolment Contract by notice in writing to us given within fourteen (14) days of the date on which we notify you of the increase.

If you terminate this Enrolment Contract for any reason other than for:

- our breach; or
- because of an increase in Fees within the time limited by this contract you must provide us with at least one full term's notice.

A full term's notice is provided when written notice is given to the College before the commencement of the term and that term being a full term prior to the date you intend to conclude with the College. If you do not provide us with one full term's notice, you must nevertheless pay to us one full term's Fees. You acknowledge that the College commits resources on the basis of confirmed enrolments and will most likely suffer loss from early termination. It may have difficulty filling the student's position at short notice. This does not prevent us from making a claim against you for any loss and damage that arises as a result of a breach by you of this Enrolment Contract.

If we exclude the student or otherwise terminate the Enrolment Contract you must pay Fees for the whole of the term in which the student is excluded or the Enrolment Contract ends.

PARENT AND SCHOOL COMMUNITY CODE OF CONDUCT

This Parent and School Community Code of Conduct policy supports learning, wellbeing, and safety in every Seventh-day Adventist School in Northern Australia. We welcome parents and other members of our diverse community into schools operated by Seventh-day Adventist Schools (Northern Australia) Limited. Working together with their school community, school staff support the learning and wellbeing of every student and are entitled to a safe work environment. Parents and other visitors to schools operated by Seventh-day Adventist Schools (Northern Australia) Limited support safety by ensuring their communications and conduct at the school and school activities is respectful.

The Parent and School Community Code of Conduct Policy

We welcome parents, relatives, friends and other members of our diverse community into schools operated by Seventh-day Adventist Schools (Northern Australia) Limited.

This Code of Conduct is effective in and applies to all schools operated by Seventh-day Adventist Schools (Northern Australia) Limited. It applies to all parents and visitors (whether on school grounds or elsewhere) when visiting, viewing, participating in, supporting or being present at formal school functions such as report evenings, any sporting or social activity or event held by or for the benefit of the school or its students and when any of those people interact with others within the school community.

In this Code of Conduct, the term 'parent' also includes carers, guardians and people who exercise parental responsibility for a student. 'Visitors' include relatives and friends of a student and other invitees of the school. Working together with their school community, school staff support the learning and wellbeing of every student and are entitled to a safe work environment and to feel safe within their school community.

Parents and other visitors to the school are expected to support the safety of the school community by ensuring their communications and conduct while on the school campus or at school activities are courteous and respectful.

It is expected that parents of students and visitors to our school communities will:

- be courteous and polite to others;
- act as positive role models for our students;
- recognise and respect personal differences;
- use the school's formal communications, and grievance & whistle-blower processes to address any grievances or concerns;
- for parents, ensure their child attends school on time each day ready to learn;
- support the Student Code of Conduct;
- recognise that every student is important to us;
- contribute to a positive school culture;
- work together with staff to resolve issues or concerns; and
- respect people's privacy.

Parents and visitors to our school communities demonstrate this by:

- using courteous and polite spoken language and written words;
- speaking and behaving respectfully at all times;
- treating everyone within the school community with dignity and respect, especially when there is a disagreement;
- being compassionate when interacting with others;
- informing staff if the behaviour of others is negatively impacting them or their family;
- respecting staff time by accepting they have teaching commitments and will respond to appropriate communications when they are able;
- requesting a meeting to discuss any concerns about their child's education, including allowing staff time to prepare and appreciating that their time may be limited;
- taking responsibility for their child arriving and departing school safely on time every day;
- reading and encouraging their child to understand and follow the Student Code of Conduct;
- valuing each child's education;
- acknowledging that staff are responsible for supporting the whole school community;
- showing proper care and regard for school property and the property of others;
- speaking positively about the school and its staff, including on social media or other public forums;
- not making negative comments or gossiping about other school community members, including students whether in person, in writing or on social media;
- understanding that, at times, compromises may be necessary; and
- considering the privacy of all school community members at all times, and understanding that the school may not be able to share information considered confidential or restricted by law.

Physical Safety

All parents and visitors must:

- not cause, inflict or encourage others to verbally abuse, threaten or inflict bodily harm on another person by any physical aggression; and
- seek staff assistance, if necessary, to resolve any conflicts peacefully.

Recording of Conversations and Meetings

All parents, students and visitors have an obligation to act with integrity towards school staff, officers and employees of Seventh-day Adventist Schools (Northern Australia) Limited and other members of the school community. Accordingly, it is inappropriate to record a conversation or a meeting, in any form, without the prior knowledge and express permission of all other participants in the conversation or meeting. This is consistent with the mission of Seventh-day Adventist Schools (Northern Australia) Limited to build and develop trustful and cordial partnerships with all stakeholders.

Responsibility for Other (Visiting) Community Members

Any parent or visitor who invites a relative, friend, support, carer or other person to be present at any official school, sporting or social event or activity held by or for the benefit of the school or its students is, at all times, responsible for the behaviour of that person and must ensure that person acts at all times in a manner consistent with this Code of Conduct.

DISCIPLINE

You must comply with policies, codes of conduct and rules we adopt from time to time. You must ensure, as far as practicable, that the student complies with those policies, codes of conduct and rules. The policies, codes of conduct and rules do not form part of this contract.

We may discipline the student for failure to comply with directions given by a person in authority or for failure to comply with the College policies and rules. These failures may occur on or off the College campus. The Principal or acting Principal may exclude the student from the College for misconduct considered by the Principal or acting Principal to be serious enough to warrant exclusion.

Where discipline may involve the exclusion of the student, the Principal or acting Principal will not exclude the student until the allegations of misconduct have been put to the student or the student's representative and the student has been allowed an adequate opportunity to respond.

In keeping with the processes outlined in the relevant College-based policies, we may search lockers, bags and property of the student where it is reasonable for us to do so or as part of a general or random search of a place where we conduct our activities. We may confiscate forbidden or dangerous property.

INDEMNITY

You indemnify us against any loss or damage caused by any failure by you or the student to comply with our rules and policies. You also indemnify us against any loss or damage caused by the wilful disobedience or reckless behaviour of the student.

EXCURSIONS

We will inform you of intended excursions involving the student. We will seek your permission for all incursions and excursions.

PRIVACY

We comply with the Privacy Legislation relating to private sector organisations effective from 21 December 2001.

Please complete all the enrolment information as requested by the College. It is all important and useful information and enables the College to fulfil its duty of care. It is stored securely (both electronic and hard copy) and used for College administrative purposes only. If you do not complete any part of the information requested it might have some bearing on how the College is able to respond to it and meet the individual needs of each student/family. In particular, it is a requirement that health information is accurate and up to date so we may, from time to time, request medical reports about the student/s. A photograph of each student may be attached to the student records.

Personal information obtained by the College is for use by the College in the first instance, but may be disclosed to others for administrative, educational, chaplain and pastoral care purposes. Occasionally, information such as academic and sporting achievements, student activities and other news is published in school newsletters, magazines and on our website. If you do not agree you must advise the College.

We may include your contact details in a class list and school directory. If you do not agree you must advise the College.

If you provide the College with information of others, such as doctors or emergency contacts, we encourage you to inform them that you are disclosing this information to the College and why, so they can access that information if they wish and inform the College not to disclose the information to third parties.

You may have access to your stored information for the purposes of checking its accuracy by contacting the College Secretary in the first instance. If there are items that you consider need updating or correcting, you have the right to request such changes be made. Access may be denied where it could have an unreasonable impact on the privacy of others, where it may result in a breach of the College's duty of care to the student, or where students have provided information in confidence.

Information will not be disclosed to third parties for fundraising or marketing purposes without your consent.

A copy of the Seventh-day Adventist Schools (Northern Australia) Limited Privacy Policy is available from your school.
